

### A Pledge to The Wiener Library

We realise that you may wish to keep the contents of your will private, and completing this form is entirely optional. However, it would be useful for the Library if you were willing to complete the pledge form, not only to assist us in our long-term planning, but also to allow us to show our gratitude for your gift during your lifetime and keep you up to date with how we are spending legacies.

Please note, this pledge form is **not** a binding document. It is simply a statement of your intentions.

Your personal details will be used solely by the Library, and all details regarding legacies will be kept strictly confidential.

If you require any further information about legacies, or would like to discuss how your legacy might be used, please contact Bridget McGing on 020 7636 7247 or email [bmcging@wienerlibrary.co.uk](mailto:bmcging@wienerlibrary.co.uk).
